

# Prime Times

Trinity Baptist Church • Kerrville, Texas Vol. 31, No 1, Sept. 2017

**Not only so, but we also rejoice in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not disappoint us, because God has poured out his love into our hearts by the Holy Spirit, whom he has given us. Rom 5:3-5**

My whole life God has blessed me with good health and boundless energy. I am on no medications and only see the doctor for routine physicals. On the other hand, my mother never had good health and went from one doctor to another seeking relief. When I was working, I called her every morning and talked to her on the phone, but I never asked her “how are you, Mom?” Instead I always asked her “Mom, what’s new?” That saved me from listening to all her aches and pains. Well, this year I have had two surgeries. When I came back to church, I was asked “how are you?” and my mother came pouring out of my mouth. I am so sorry that I did not give her more sympathy. I told them about the pain killers that made my mouth feel like a brick oven and on and on! I have found that when you are in pain it is difficult to think of anything or anyone else except getting free of the pain. I have adopted Romans 5:3-5 and I am having a tough time rejoicing in my suffering, but I have learned some valuable lessons. In my Primetime Ministry, I have the privilege of being around those of us who are 55 and older, whether it is at church, nursing homes and even in our community. I see many who live daily with infirmities and continue to serve God. I appreciated the volunteers at Sid Peterson who were retired, but

still serving. I learned valuable lessons about character when I woke up in recovery begging for Chris Christopherson to come pray for me. He came and that meant so much to me. In the past I have been a “joyful heart Christian” who comes in the church greeting everybody and not listening as I should. I believe we should be more ready to seek help when we need it and be ready to extend a helping hand. If you need a ride to your next colonoscopy, call me. I am your girl!

I am trying to grow closer to God through prayer, and I know He is with us always and that gives us hope because He will never leave us or forsake us. If you have a procedure coming up, be sure to call the church and let them know. Prayer is so powerful and knowing you have the support of other Christians means everything.

Oh, by the way, can I tell you about my surgery? ha ha! I had a stone in my salivary gland for 30 years and the Dr. tried to remove it through my mouth. When he got in there he found that it was wrapped in nerves and blood vessels and he made a quick exit. I am glad that he didn’t continue, but now I have to have it removed through my neck. I am in so much pain and I cannot eat very well. Will you pray for this normally healthy “complainer” to accept character and praise God for all his blessings.

Yes, indeed, it was a busy summer for the POF class starting with a great turnout for the brisket dinner at **Jane & Charles Rackley's** ranch in May. A big YUM! and thanks to **Don & Evelyn Rossow** for cooking the brisket. The smiling faces of those who attended are evidence of the fun time we had! Thanks to **Jan Gambrell** for capturing those smiles with his camera. Next came the annual opportunity in June to serve the Lord by volunteering to help with VBS in various capacities...always a blessing! Graduation trips, vacations, surgeries and mission trips have kept many POF members busy throughout the summer. The Del Rio mission trip in July found **Terri Pyle** submitting the following report about the work in which she and several other Trinity folks were involved.

A gracious 82 year old woman, Granny B, provided her three bedroom, two bunkhouses home for our Del Rio visit. Monday we started VBS at Cornerstone in Quemado. Cornerstone is an orphanage, church, and workhouse center distributing food and supplies for the needy. Twenty active kids welcomed us. Our teachers had their hands full! Three women also attended a class learning about the fruit of the Spirit. Lemonade and cookies were shared with extra cookies for beguiling smiles! We also worked at a food bank, child's reading program, and center for registered families for free school supplies. God was gracious with our safety, air conditioning, and helping hands.

Terri also helped distribute dresses and shorts lovingly made by members of the Prime Time Dress-makers. **Conrad** wasn't able to participate this year due to back problems and upcoming surgery. We'll be praying for a full recovery so he and Terri both can go next year!

Welcome to new members **Jeff & Sandy Middlebrook**. Also joining POF are **Tommy & Sue Owens**. We look forward to getting better acquainted with them and will be praying for all of them as they find what God's plans are for them at Trinity. ShelbyNext is a great tool for keeping us updated about new members as well as changes of phone numbers, addresses and emails of current members. If you need help with installing the app, check with Clint Brown or the church office.

In one of **Pastor John's** recent sermons he challenged us by asking if we have an urgency for the glory of God, bringing to mind Ephesians 3:20-21 NLT, "Now all glory to God, who is able, through His mighty power at work within us, to accomplish infinitely more than we might ask or think. Glory to Him in the church and in Christ Jesus through all generations forever and ever. Amen." Then Pastor John asked us to consider if we talk more about what God has done or about who He is...food for thought and prayer! Aren't we blessed to have a pastor who causes us to pause and consider the condition of our spiritual life so that we might grow closer to our Lord and to each other! We continue to pray for Pastor John as he recuperates from his recent surgery. Until next month, blessings to you, Jo.

Since we haven't reported recently, because there was no Prime Time Newsletter during the summer, we will begin with the number of bouquets delivered to Hospitals and Care Facilities during that time:  
May - 31 ~ June - 26 ~ July - 19

The Dress Ministry will begin meeting again September 7, (first Thursday). That doesn't mean we didn't sew during the summer – just didn't meet to turn in items. Those of you who are registered as one of the members will receive a notice in August by email or snail mail with a few new information bits. New members are welcome. Contact **Sue Stewart** or **Marvene Wallace**. Lots of news to report about where these dresses are going or have already gone. Come visit and join. Marvene

## Women Of the Word - Room 208

Jean Allgood

Summer time in the Hill Country has been fun, full of visitors and trips for our class members. The hot weather was tempered by cold watermelon and homemade ice cream—then we turned around twice and are now looking toward autumn!

But before we say goodbye to summer let us recall memories of family gatherings and special events: **Toni Carter** was blessed having her son and family back from the mission field (Columbia SA and Venezuela) and also praised God for a summer full of work for her (home renovation). **Nita Ernst** enjoyed her sister's visit of "just talking and eating." So fun and relaxing--nothing better than time with sisters. **Gay Hebdon** was pleased to sing a duet with **Carrie Overby** for an 8:30 service.

Summer missions found class members active in the States as well as abroad. **Sharron Hawk** spent over a week with a group of young people in Boston, plus several summer camps with teens. **Christy Bell and Jody McCulley** went with the mission team to the Dominican Republic. It was **Christy's** first trip and in spite of her Restless Leg Syndrome she pitched in with the construction crew building walls for the Girasoles school. She referred to the trip as an *adventure* and felt blessed by the new friends she made. Another summer mission found **Loraine Couch, Cleo Meadow** and Cleo's niece **Cari Lawrence** in Burnet for four days at the Buckner Family Center. This is a camp for foster families of Texas. Truly a special time for foster families to bond, share and be pampered—even in 103 degree weather.

One of our newest members, **Ginny Walker**, spent much of the summer recovering from a motorcycle accident. Her testimony of "seeing adversity as an uninvited and unwanted friend, yet in the hands of God, it becomes an experience of weaning us from our pride and self dependency and into a deeper intimacy with Jesus." We rejoice with Ginny that her leg is healing and yes, God is good.

We are pleased to welcome along with Ginny, other new members to our WOW class, **Faye Freeman** and **Louise Barleman**.

**Loraine Couch** invited our class to her river house for a summer party; all enjoyed good food and fun games. The WOW main teacher **Helen Puccini** joined **Glory Ball** (from another class) on a two-week cruise to Alaska!! Need we say more, wow indeed!!

My daughter **Rory Thomas** gave me over 100 children's ball caps. These caps were embroidered with colorful monkeys, lions, whales, bears and other cute images and were donated to Lubbock Impact, a mission organization Rory and her husband **Kurtis** are involved with. I shared most of the caps with Trinity to be given to orphanages in the DR. Also you may see a few Kerrville children wearing them! Many thanks to Rory and the cap company.

I found myself on many hot summer days, staying indoors, reading, watching the Texas Rangers ball games and thinking.

One of the books I read was Charles Swindoll's *Strengthening Your Grip—How to be grounded in a chaotic world*. A timely chapter for Prime-Timers was # 8 : *Strengthening your grip on aging*. He listed some attitudes that many people adopt as they age - uselessness, guilt, self-pity and fear. Swindoll stated "as natural as these feelings may be, they do not come from God." They are from human nature.

Psalm 90:12 says "teach us to number our days aright, that we may gain a heart of wisdom."

We Prime Timers of Trinity Baptist Church are very fortunate to have so many places of service available to us. Certainly no need to feel useless, no time to dwell on past guilt or self-pity, and fear of tomorrow. God gives us a beautiful today, a day of rejoicing and opportunity to serve and glorify Him.

Our gratefulness flows to the Lord for our pastor, **John Wheat's** successful surgery and continued healing.

The coming of September means our church is back on regular schedule. **Marci Newby, Loraine Couch and Gay Hebdon** will be back in the kitchen helping to provide the Wednesday night meal.—the Prime Time Choir will be back to regular Friday 10:00 am practice, AND the Prime Time Newsletter will be back to monthly issues. So goodbye Summer and welcome Autumn! How blessed we are to live in the Hill Country/Kerrville and be members of **Trinity Baptist Church**.

## Agape Class - Room 223

Sheila Reed

Hello and I hope everyone had a great summer! I am so glad to be able to start another year as the Agape Reporter. What a wonderful class and teacher we have. **Ken Brown** continues to teach us about the Bible and enlightens us also on Greek words and stories!

During the summer, some of our class mates were very active travelling. The RV's headed for the road and the planes took to the sky! Some went by car but an enjoyable time was had by all.

Our class lost two very special classmates over the summer. **John Vale**, old classmate, went to be with the Lord in April. A book will be given to our library in John's honor from the classmates. Recently **Ida Sanders**, a lovely lady, surrounded by her family went to be with her Lord. Both members will be greatly missed.

Over the summer months several of our classmates had birthdays and anniversaries. May birthdays were **Joyce Winn, Clayton Williams, Faye Eure** and **Florence McDaniel**. June birthday was **John Brantley**. June anniversaries were **Scott & Libby Tolman, John & Maxine Brantley, Roger & Norma Daniels**, and **Howard & Anne Hager**. July birthdays were **Rebecca Hopkins, Nancy Olive, Bob Eure, and Norma Daniel**. Anniversaries in July were **Bob & Faye Eure**. August birthday is **Bennie Long** on the 17<sup>th</sup>. **Ken & Susan Brown** will have an anniversary on the 22<sup>nd</sup>.

In July, we were excited to have **Eva Drost, Mae Marksbury, and Lynda Nunez**. Eva Drost joined our class on August 6, 2017! Welcome Eva!! She stated she enjoyed the way Ken Brown teaches and takes one sentence at a time and explains the Lords words! Excellent job Ken!!

On Wednesday, August 9<sup>th</sup> the Agape Class will have their monthly luncheon at the home of **Roger & Norma Daniels**. We found out Roger is a pottery expert and Norma is an artist! They will be showing us their lovely place and some of their paintings and pottery.

As I close out this report I would like to request prayers for some of our classmates and their family members. **Bobbie Lesser** has been having trouble with her breathing and was hospitalized and rehab but is at home and doing better.

She returned to class on August 6<sup>th</sup>. **Rosemary Oswalt** continues to battle the shingles but her husband, **JB**, told us they went out to eat the other day and she is finally doing better! **Florence McDaniel** lost her brother in Indiana. Her care taker was nice enough to take her to the funeral. What sweet people we live around. **Norma Daniel** sprained her ankle and is walking better these days. **Libby & Scott Tolman** continue with health issues. **Sam Reed** found out he has a meniscus tear and a bone spur. **Mona Reick's** grandson had health issues. We are glad to see her back in class. **Ken & Susan Brown** had family with health issues and prayers go out to all of them.

Until we meet again in the October edition, I wish everyone good health and God Bless!

### A BEND IN THE ROAD

Helen Steiner Rice

When we feel we have nothing left to give  
and we are sure that the song has ended  
When our day seems over and the shadows fall  
and the darkness of night has descended  
Where can we go to find the strength  
to valiantly keep on trying  
Where can we find the hand that will dry  
the tears that the heart is crying

There's but one place to go and that is to God  
and dropping all pretense and pride  
We can pour out our problems without restraint  
and gain strength with Him at our side  
And together we stand at life's crossroads  
and view what we think is the end

But God has a much bigger vision  
and He tells us it's only a bend  
For the road goes on and is smoother  
and the pause in the song is a rest  
And the part that's unsung and unfinished  
is the sweetest and richest and best

So rest and relax and grow stronger  
let go and let God share your load  
Your work is not finished or ended  
you've just come to a bend in the road.

## Jubilee Class - Chapel Rae Logan

Did your summer fly by as fast as mine? I didn't do anything too exciting, but I seemed to keep busy. I have had company at different times, those are always fun times.

Jubilee Class lost two long-time class members since we last published a newsletter: **Mavis Walk** and **Robbie Roberts**. They will be missed.

Our class director, **Peggy Morrow**, has had a persistent sinus infection. We hope she is now on the upswing. **Gene Ayers** and **Ruth Stewart** both had serious surgeries. **Lou Walker** and **Patricia Miller** both had knee surgeries. Both of these ladies handled it like troopers.

**Betty McCarter** went to visit relatives out of town and became quite ill. Glad you are feeling better, Betty. **Kitty Zietz** has had an infection, as have **Alma Ruth Willeford**, **Durwin & Donna Hill**, **Billie & Hugh Cavitt**. **Gerald Euler** has been hospitalized and is now at Brookdale. **Janice & Frank Kubica** have both been under the weather. On our continuing prayer list are **Janice Smith** and **Jane Vaughan**, who are housebound.

Now for some good news. We celebrated our 5th Sunday on the 4th Sunday, to be sure that long-time class members, **Colleen & Robert Guy** would be available as they were our honored guests. They have moved to Kansas to be near their family. Colleen was presented with a certificate of appreciation from **Gene Ayers** for being his scripture reader for several years. Gene puts so many items on the screen for us, all kinds of maps, pictures, as well as the scripture for the lesson. I am sure he felt that having Colleen read would give his lesson added variety. We appreciate ALL your effort, Gene. This occasion was also our *Picnic Under Air Conditioning*, an annual event which has become a class favorite. Sandwiches, chips, dips, condiments of pickles and olives, a giant fresh fruit bowl and for dessert the piece de resistance, six freezers of "homemade" ice cream. Colleen & Guy, we will miss you as we miss all of our class members who have moved away to be near family. Those recently who come to mind are **Elaine Bell**, **Ardath Kakavas**, **Jane Green** and **Bettie Webb**. We miss all of you who for so many years have been such a BIG part of Jubilee.

Now to introduce you to new members **Gerald & Eva Euler**, Eva writes:

Gerald and I both graduated from Pharr-San Juan-Alamo High School, he in 1955 and I in 1964. Gerald attended Pan American College in Edinburg after high school and received his degree in Industrial Technology and History, with a teaching certificate. He went back to college in the early 1970s and earned his master's degree in history and earned his supervisory certificate. He taught school at McAllen High for 35 years, retiring in 1995. I graduated from Dental Hygiene School in Houston in 1966 and worked as the dental hygienist at the Laredo-Webb County Health in Laredo, Texas for 5 years. I earned my bachelor's degree in History and Spanish in 1973 from Pan American University in 1990. My dental hygiene career has been spent practicing in private dentistry and in public health. In 1999 I was privileged to join the dental hygiene faculty at Texas State Technical College in Harlingen, where I was a classroom and clinical instructor, and as program chair for the dental assisting program for the last 6 years. Being a college instructor prompted me to earn my master's degree in Adult Education in 2008, from Texas A&M University-Kingsville. I finished my 50 years of active practice in 2015, retiring from the college.

On June 8, 1973, we united our two families to raise our 4 children together and to be a helpmeet to each other. 2017 marks the milestone of 44 years for a second marriage for both of us. We moved here last August from Edinburg, TX. Gerald began to have major health issues in 2013, and our children urged us to think about moving closer to them. It took us four more years to make the move to Kerrville and the beautiful Hill Country to be here with our youngest son **Kenneth Richard**, who was a firefighter/paramedic for Kerrville from 2003 to 2015. Our son **Troy** lived in The Colony near Dallas, and died peacefully in his sleep at the age of 53 last December. Daughter **Tracy** and her family live in The Colony. Son **Travis** lives with his family in DeSoto, KS. We are a little closer to everyone now!

We love Trinity Baptist Church, especially our wonderful Jubilee Class, its warmth, compassion, Christ's love, are just a few of the words to describe you all, and I love you! Hugs, Eva.

*And my God will meet all your  
Needs according to his  
glorious riches in  
Christ Jesus.  
Philippians 4:19*

## Library News

Have you visited the church library lately? We're doing some remodeling! We expect to have a Resource Center in place soon. There will be material for the parents of

youngsters, children to teens. In the rest of the library, we've been shifting some books around, your favorites might be on a different shelf. It's a chance for you to look at what else we have to offer, and make some new favorites!

I'd like to share these little stories, sent to me by **Jeanne Dame**.

### "SIX LITTLE STORIES"

1. Once a village decided to pray for rain. On the day of prayer all the people gathered, but only one boy came with an umbrella. That's FAITH.

2. When you throw babies in the air, they laugh because they know you will catch them. That's TRUST.

3. Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That's HOPE.

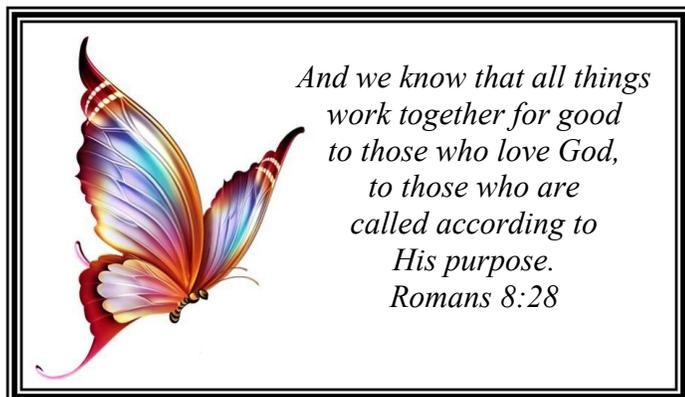

4. We plan big things for tomorrow in spite of zero knowledge of the future. That's CONFIDENCE.

5. We see the world suffering, but still we get married and have children. That's LOVE.

6. On an old man's shirt was written a sentence 'I am not 82 years old; I am sweet 16 with 66 years of experience.' That's ATTITUDE.

Your library is full of books and DVDs that are just waiting to share their stories with you. Your library is open on Sunday morning, Tuesday morning, and all day Wednesday.

The Library Ladies

*And we know that all things work together for good to those who love God, to those who are called according to His purpose. Romans 8:28*

## What is Prime Time?

Is it **Prime Time Singers**? Yes. They have fun, take trips and eat together. Their main purpose, however, is to entertain in the nursing homes, bringing joy to those who were once active and now appreciate the music and inspiration the Singers provide. **Larry Danks**, director, encourages you to join.

Is it the **Nursing Home Visitations**? Yes, **Pilgrims of Faith Class**, **Ruth Spradling** and **Billie Cavitt** have each formed a group of people who love to sing and love our care facility patients. You can find their times of participation in this newsletter.

Is it the **Flower Ministry**? Yes. This ministry under the leadership of **Marvene Wallace** separates the altar flowers that are donated into smaller bouquets. Volunteers deliver them to our church members who are ailing or shut in. Marvene welcomes any volunteers.

Is it the **Dress Makers Ministry**? Yes. **Marvene Wallace** and **Sue Stewart** lead this active group who sew clothing for the various mission trips sponsored by our church. They do the sewing at home but meet on the first Thursday of each month to bring their items, pick up new fabric, and just have a little visit. Your help is greatly appreciated. Marvene or Sue will be glad to answer any questions you may have.

Is it the **Third Thursday Fellowship**? Yes. Under the creative efforts of **Billie Cavitt** four programs a year are planned and presented. The main objective of these gatherings is to mix and mingle all our senior adults who may be in different Sunday study classes. It is to promote a close fellowship within our family of worship. This a fun place to volunteer.

Is it the **Photo Albums** created by our **Historian, Rae Logan**? Yes. She has recorded the events in beautiful albums for us to recall our times together.

Is it the **Prime Times newsletter**? Yes. On these pages you can find news of church events and keep in touch with friends in other Sunday Bible classes.

**Prime Time** is for TBC members who have lived a productive life, raised a family, and now find they enjoy giving of their time and energy to help others.

The end of the spring season for all of us singers was full of singing opportunities. We had the pleasure of singing at the VA Hospital for a Memorial Day Patriotic offer-

ing, all decked out in everything imaginable that was patriotic – including flashy glasses. Our veterans always enjoy our sharing music with them, especially the Patriotic songs.

This year some of us singers participated in the evening worship services at Cowboy Camp on the 6<sup>th</sup> of June. The message was presented by Trinity's own **J.D.** and we were his 'back-up singers.' (We are always ready for a new challenge.) It was the first experience at Cowboy Camp for some and they did 'dress the part.'

In June, some of us went with Larry to hear the statewide SWOT concert in San Antonio. They are as close to professional as you will ever hear, they were marvelous! It was wonderful to see our own **Annette Walter** among all the smiling faces.

As we say good bye to summer, it is time to look forward to a productive fall with the music we learned last year. **September is a good time to join Prime Time Singers** since our first engagement won't be until October. Consider becoming a part of this fun, dynamic and, of course, musical group of singers. Rehearsals are Fridays from 10:00 to 11:30AM. Please consider joining our joyful group.

Here's a fun fact: Studies show that when we sing, our brains release hormones that relieve anxiety and stress. Also, research indicates that people who sing together actually synchronize their heartbeats with each other. Psalm 26:6 says, "I will sing and make melody to the LORD." And again in Psalm 33:3 "Sing to Him a new song." So let's tune our voices and synchronize our hearts as we begin a new season of fellowship, fun and faith-filled music lifted to our LORD and Savior. As the song says, "See you in September." - Ann Peay

#### **Healthful Hint**

A stiff neck results from slowed circulation and lymph flow to muscle tissues. Use contrast hydrotherapy—a quick blast of hot, then cold water—to get the blood pumping again. In the shower, first run hot water over your neck for 20 seconds to increase blood flow, then switch to cold for 10 seconds to constrict blood flow. Alternate three times, always ending with cold. Voilà!—a looser neck.

## **Prime Time Games**

Autumn is near and the line-up for Wednesday night events has returned. Prime Time will be trying something new. Many have asked for a time to play games. Join us at 3:30 p.m. on Wednesday, September 6, in Room 121, to play 42 or Mexican Train or a game of your choice.

Follow that with a fine meal provided by **Judy Brooksher** and her crew of helpers.

Top that with Bible study.  
We hope to see you there!

### **All Things Work Together for Good**

In a car in the middle of Colorado a wife says to her husband, "Oh dear. George, I'm afraid the house is going to burn down. I'm sure I left the iron on."

George: "The house will not burn down, Dear, don't worry."

Wife: "Now how can you make a statement like that?"

7 George: "Because I forgot to turn off the water in the bathtub!"
