

October 2016 | Trinity Baptist Church CDO

Trinity CDO

**Shout for JOY
to the Lord,
all the earth.**

Psalm 100:1

A Great Beginning

Thoughts from Mrs. Beth Ann

What a great start to the year! All classes are running smoothly and adapting to the routine of CDO. It is such a joy to walk in the halls and see children happy and engaged!

Thank you parents for trusting us with your children. Your support of our program and staff is invaluable. We couldn't do it with out you.

Our verse for September has been **Shout for joy to the Lord, all the earth. Psalm 100:1. We practice our verse in chapel everyday. I encourage you to have them say it with you.**

What Your Children Are Doing

Tiny Turtles

The year is off to a great start with our Tiny Turtles. This month we have just been getting to know each of the children and their individual personalities. As we find our rhythm, we have enjoyed singing songs, reading stories, and working on developing skills. Some are learning to walk, others are learning to sit. All of them are hearing about Jesus every day. It's a complete joy to watch each of the Tiny Turtles begin to come out of their shell more and more every day they are at CDO.

Brave Bunnies

The Brave Bunnies have had a great first month at CDO. We enjoy playing in the Home Living center, doing puzzles, singing songs, and reading books. We have been learning about how God made each of us and made us special. We have also learned about circles and the color blue. In October we will be learning that God made plants and animals. We will also learn about triangles and the color red. In October our activities will be related to Fire Prevention Week, pumpkins, spiders, and bats.

Playful Pandas

We have an amazing Panda class this year. This month we have learned the color blue, the square shape and, how God protects us. We play, sing, count, and read; but most importantly, we learn about God. In addition, the can even say their memory verse. Thank you for letting us be a part of your child's life.

Gentle Giraffes

Gentle Giraffes are off to a great start. We are learning our routines and how to follow them. We are also learning to make friends. There has been change in our room but the children handled it well. We said good bye to Mrs. Penny and Hello to Mrs. Sarah.

Verse for October

Worship the Lord with gladness;
come before Him with joyful
songs.
Psalm 100:2

What Your Children Are Doing cont...

Hot Diggity Dogs

The Hot Dogs have been busy in September. We have been learning to recognize and trace letters A and B. We have also been learning the months of the year with a special song. October brings a lot of excitement! We will continue our learning of letters C and D. Our Hot Dogs will also get to enjoy all things pumpkin at the end of the month with fun sensory activities. Stay tuned for a link to our Shutterfly web page with pictures and more info.

Friendly Foxes

It is hard to believe we are already through September and moving into October. Our class has been busy learning names of new friends, how our day flows and classroom rules. We have also been studying apples the last two weeks. We have discussed how they grow, how to pick them, the varieties of apples, parts of an apple and most important, how they taste! We have had so much fun! This next month we will talk about more fall things including pumpkins, spiders, and bats. Our work with writing our letters and numbers will continue as well as many other fun activities. Be sure to check out our question of the day poster when you pick up your child, it will be an easy something to discuss at home

A note about our pullout programs

Mrs. Laurence

My name is Ms. Laurence, aka Ms Rence. I teach a gross motors class on Tuesdays; we play and practice skills like balancing on a beam, catching a ball, working with friends to move a parachute and it all starts with listening to directions. Tennis shoes help a lot. Check out my lesson plan for the week in your child's classroom! Next month I will tell you about what we do on Thursdays during library time.

This semester Mrs. Echo is coming two Thursdays a month to do an art or science lesson with the children. They had a great time "painting" with baking soda and colored vinegar. We look forward to the other days coming up.

We need you!

Pumpkin Patch is coming up on Thursday, October 27. We are doing things a bit different this year and we can use a lot of volunteers. There will be games, snacks, scarecrows to dress, and much more. If you are available, we would love for you to come help with the activities. The festivities will begin at 9 and will be over by 11. We will have a sign up sheet by the doors if you would like to help out.
